

LIST RENTAL AND MAILING SERVICES

Thomas Industrial Media, the publisher of product tabloids like IEN, makes its business subscriber lists from its controlled circulation magazines available to the market. TIM provides the most targeted business lists from the industrial industries. The TIM reader database is updated daily and customers can tap into the deep demographic information available to select just the audience they're looking to reach.

In addition to our TIM reader database, we also added the Thomas Global database to our masterfile, consisting of registrants to the Thomas Global website.
